Communication from the Kettle Moraine School District

The Kettle Moraine School District Opt-In program allows parents to subscribe to e-mail communication from different groups.

NEW THIS SCHOOL YEAR - parents will automatically receive communication from each school in which they have a student. This will include school messages, e-newsletters and PTO information. (Parents no longer need to opt-in to receive their school communication.)

- In addition to communications from your child's school, you may subscribe to the groups listed to the right by visiting www.kmsd.edu/optin.
- If you have previously opted in to receive communication from these groups, you will continue to receive them.
- If you would like to modify your opt-in subscriptions, please visit www.kmsd.edu/optin.
