

Kids 'n Critters

HAWS' KIDS 'N CRITTERS DAY CAMP NOW ALSO HOLDING SESSIONS AT HAWS Schallock Center for Animals in Delafield!

Kids 'N Critters Day Camp is for kids ages 7-14 years. Camp runs from mid-June through August, and there are 1-, 2- and 5-day sessions available.

Campers learn about responsible pet ownership, our impact on our ecosystem, respect for all living things, and what we can do to make this world a better place. While at camp, kids have the chance to interact with many different types of animals and help with their care. New in 2021, campers will have the opportunity to enjoy camp at HAWS' additional facility, the amazing 77-acre Schallock Center!

Field trips allow campers to meet even MORE types of animals! And, at special themed camps like "Camp Gone to the Dogs" and "Shutterbug Camp" kids learn training techniques and get to tap into their creative sides as well.

SIGN UP TODAY FOR KIDS 'N CRITTERS

Camp is held from 9am-4pm; before and after care is available.

HAWS' members receive a 12% discount on camp fees.

Ask about our scholarships!

Register at hawspets.org.
