

When should my child stay home from school?

- Your child should stay home if they have tested **positive** to COVID
- Your child has been tested for COVID-19 and is **waiting for the results**
- Your child should stay home if they are **ill and have symptoms above normal** baseline for them:

PLEASE STAY HOME

- Cough / Shortness of breath or difficulty breathing *
- New loss of taste or smell *
- Fever (>100 F) or chills **
- Nausea *** or vomiting **
- Diarrhea **
- Headache ***
- Congestion or runny nose ***
- Fatigue ***
- Muscle or body aches ***
- Sore throat ***

- Students with **ONE** of the symptoms marked * may not come to school.
- Students with **ONE** symptom marked ** may not come to school.
- Students with **two or more** of symptoms marked ** and *** may not come to school.

- **Contact** your physician for next steps and see below for further instructions.
- **Call** your school attendance line to **report** your child's absence or enter your student's absence through the Infinite Campus portal
 - Report if your child has been exposed to someone who has tested positive to COVID
 - Report ALL symptoms they are having
 - Report if your child is too ill to attend virtual instruction

All notes from medical providers OR proof of Negative COVID tests must be forwarded to your child's Health Room before your child's re-entry into the building

When can my student return to face-to-face Instruction?

IF YOUR CHILD:	YOUR CHILD MAY RETURN TO FACE-TO-FACE INSTRUCTION:
<p>Diagnosed with COVID-19 and showing symptoms</p>	<ul style="list-style-type: none"> ● At least 10 days have passed since symptoms started AND ● No fever (100.4 F or greater) in at least 24 hours without using any medication to lower fever AND there are improvement in symptoms ● Follow any other guidelines given to you from the Health Department ● ***Household siblings stay home to quarantine
<p>Tested positive for COVID-19 and not showing symptoms</p>	<ul style="list-style-type: none"> ● 10 days after the positive COVID-19 test. ● Follow any other guidelines given to you from the Health Department ● ***Household siblings stay home to quarantine
<p>Was sick but did not get tested for COVID-19</p>	<ul style="list-style-type: none"> ● At least 10 days have passed since symptoms started AND No fever (100.4F or greater) in at least 24 hours without using any medication to lower fever AND improvement in symptoms OR Healthcare provider note indicating child was assessed and COVID-19 has been ruled out AND alternative diagnosis is provided ● Medical Provider note must be given to Health Room prior to re-entry to class ● ***Household siblings stay home if ill student has known exposure to COVID ● ***Household siblings come to school if ill student has no known exposure to COVID
<p>Was sick but tested negative for COVID-19</p>	<ul style="list-style-type: none"> ● Stay home until feeling better and have not had a fever for 24 hours without using any medication to reduce fever. ● Proof of the negative test must be given to the Health Room before re-entry to school ● ***Household siblings stay home if ill student has known exposure to COVID ● ***Household siblings come to school if ill student has no known exposure to COVID
<p>Was exposed to someone with COVID-19</p>	<ul style="list-style-type: none"> ● After 14 days from the last possible exposure (Best Practice) OR ● After 10 days from their date of last exposure to a confirmed or probable case AND they have not had any clinical symptoms of COVID-19 during the 10 day period. No test needed OR ● After 7 days from their date of last exposure to a confirmed or probable case AND they have not had any clinical symptoms of COVID-19 during the 7 day period AND they have a negative test that was collected on day 6 or 7 of quarantine (the negative test must be collected within 48 hours of release from quarantine). ● ***Household siblings stay home if exposed student has symptoms ● ***Household siblings come to school if exposed student is without symptoms

If your student tests positive for COVID-19 and has attended face-to-face Instruction or been on the District Campus within two days of when symptoms first started, **please contact nurses via the KM Health Hotline at (262)968-6369.**

All notes from medical providers **OR** proof of Negative COVID tests must be forwarded to your child's Health Room before your child's re-entry into the building
