### What do Parents need to do?

Check your child's immunization record. **Your student's immunization record may be accessed through the Infinite Campus Parent Portal. You may also access immunization data through the Wisconsin Immunization Registry at [www.dhfs.wisconsin.gov](http://www.dhfs.wisconsin.gov)**

- If you are sure they are compliant with the law, **please make sure the school has the most current immunization information.**
- If your child's records indicate they **are not compliant** with the law, please have your child immunized as soon as possible and report the date to your school nurse immediately.
