

WAKE UP CALL

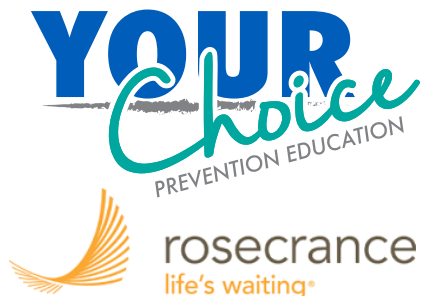

Stairway to Heroin Educational Series

Teen Bedrooms can hide the signs of Drug & Alcohol use

Wake-Up Call is a life-size exhibit of a teen's bedroom with more than 20 "red flags" that can signal drug or alcohol use. The bedroom identifies spots where teens may hide drugs, household items that can be used as drug paraphernalia and ways teens try to cover up drug and alcohol use. Our goal is to educate parents and other adults who are influential in the lives of youth so they know what seemingly innocent items can actually be an indication of substance abuse.

The Wake-Up Call Exhibit is located at
