Mark your calendars! PRN presents "How to Make Healthy Habits Stick!", Monday, April 11, 11:00 am to 12:30 pm at Yoga 4 All in Wales. Are you frustrated by the fact that you know what you should eat to be healthy (and potentially lose weight), but find it extremely difficult to actually make this a lasting change! This month’s facilitator, Janet Golownia of PurBalance Yoga Therapy, will help us learn about what is really behind creating new healthy habits that you can maintain for a lifetime. Janet is a yoga therapist and certified health coach who is passionate about unlocking the body’s ability to heal itself through a variety of yoga tools and nutrition. She has learned from healing her own health issues of hypothyroidism, depression and multiple sclerosis that healing takes place not only on the physical level but also the energetic and emotional levels. We are not going to just talk! You are also going to take what you learn and put it into practice right away. Thank you to Café Buzzz in Wales for donating the coffee!
