BUILDING NEWS~
The music staff of Kettle Moraine invite you to attend our Annual Band and Orchestra Registration Night on March 14th! During this meeting you and your 4th grade child will be provided with important information regarding the 5th grade Band and Orchestra programs. Your questions will be answered and registration information will be handed out. Vendors from local music stores will also be on-hand to answer your questions.

As part of the KM music curriculum, students in 5th grade have the option of expanding their musical concepts by participating in either Band or Orchestra. Students can choose to enroll in either of these ensembles, which meet as part of the school day. Students choosing not to participate in Band or Orchestra will remain in their classrooms during the rehearsal time.

In 6th grade all Kettle Moraine Middle School students are required to participate in Band, Orchestra, or Choir. It is strongly recommended that all students who wish to be in Band or Orchestra for 6th grade participate in 5th grade, as this prepares them for success in middle school and ensures will be on track with their peers.

If your child is interested in Band or Orchestra but you are unable to attend this meeting registration information will be available online at www.kmsd.edu/elementaryband. Please register by April 1st if using the online option.
