**SCHOOL NEWS & PTO**

**News from the Makerspace**

Thanks to our PTO, first graders at Magee have been trying out a new tool. The PTO purchased two KIBO robots for our makerspace this year. From the [KIBO website](#):
“KIBO is a robot kit specifically designed for young children aged 4-7 years old. It is different from any other kit out there because it appeals to both technically minded kids and those that connect more to arts and culture or physical activity. Young children learn by doing. Children build their own robot with KIBO, program it to do what they want, and decorate it.”

First graders have also been building with legos, coding, using Little Bits and the Osmos. See the KMSD Makerspace website for more information about these tools. Also, click here to see pictures and videos of first graders in action. Thanks, PTO!

Be in the know with the Magee PTO...Click to find out What’s On Track!

The Magee Spree is here! We’re looking forward to seeing all of our guests on Saturday, March 5th at the Wales-Genesee Lions Club. Registration and the Silent Auction begin at 6:30 PM. Gaming begins at 7:30 PM. Heavy hors d’oeuvres, desserts and beverages will be served all night! This event offers a great opportunity for parents to support funding for all students at Magee Elementary. See you at The Spree!

Box Tops: Thank you so much to all who turned in their Box Tops! Congratulations to Mrs. Coss’ 1st grade classroom for winning the final Traveling Trophy! This was our final Box Tops contest of the year. But please continue to send in your Box Tops to help Magee earn “effortless” fundraising revenue. Each Box Tops earns our school 10 cents, and that adds up!

Spirit Wear: Thank you to those who purchased Spirit Wear items. We will let you know when your orders have arrived.

Fun Run 2016 is now being planned. If you are interested in helping with this year’s event, please contact Melissa Coello at Melissa51182@yahoo.com.

Like us on Facebook to see Magee PTO updates in your News Feed!

Next PTO Meeting: Wednesday, March 9 @ 9:00 AM. Meeting will occur in the Conference Room at Magee. All Magee parents are invited to attend.

DISTRICT NEWS & COMMUNITY EDUCATION

Project Fair Registration
Students in Grades 1-5 are invited to participate in the annual KM Project Fair. This is a great opportunity for your children to showcase their special interests! Registrations are due March 22! Visit www.kmsd.edu/projectfair for complete details.

Mark your calendars! PRN presents “How to Make Healthy Habits Stick!” Monday, April 11, 11:00 am to 12:30 pm at Yoga 4 All in Wales.
Are you frustrated by the fact that you know what you should eat to be healthy (and potentially lose weight), but find it extremely difficult to actually make this a lasting change! This month’s facilitator, Janet Golownia of PurBalance Yoga Therapy, will help us learn about what is really behind creating new healthy habits that you can maintain for a lifetime. Janet is a yoga therapist and certified health coach who is passionate about unlocking the body’s ability to heal itself through a variety of yoga tools and nutrition. She has learned from healing her own health issues of hypothyroidism, depression and multiple sclerosis that healing takes place not only on the physical level but also the energetic and emotional levels. We are not going to just talk! You are also going to take what you learn and put it into practice right away. Thank you to Café Buzz in Wales for donating the coffee! Click here to register for this FREE event.
Community Education

Softball Camp
Grades 4-8 are invited for a hitting and/or defensive fundamentals softball camp offered by KM High School Varsity Coach Graf. Camp will be held on March 20 at KM High School. Registration forms and further detail can be found online at www.kmsd.edu/communityed

KM Jr Laser Football 2016 Season
Registration is now open for students entering grades 5-8 for the fall of 2016 interested in playing tackle football. Season begins in August and concludes in October. Registration packets can be found online at www.kmsd.edu/communityed. The Deadline is next week to register!

After School Wrestling
KM High School Coaches are offering after school wrestling at all elementary schools this spring. Students with all experience levels are welcome. This will be an action packed, fun and safe introduction to the sport of wrestling. Registration forms can be found online at www.kmsd.edu/communityed

Sand Volleyball League/Clinic
Students in grades 6-8 are invited to our sand volleyball league offered by Coach Gulak, head boys volleyball coach at Kettle Moraine High School. League is held on Tuesdays, May 31-July 12 from 5:30-7 at KM Middle School. Registration forms can be found online at www.kmsd.edu/communityed

Camp Invention -Summer 2016
Students in grades 1-6 are encouraged to join us August 8-12 for Camp Invention. You will build a solar powered cricket, discover the science of slime and squid, take apart machines, design an eco-adventure park and much more. Registration forms can be found online at www.kmsd.edu/communityed

Bricks 4 Kidz
Bricks 4 Kidz® Early Engineers after school enrichment class is NEW to the Kettle Moraine School District! Our classes provide an extraordinary atmosphere for children, where we learn, we build and we play…with LEGO® bricks. Students build a new model each week, designed by B4K engineers and architects, with exciting themes that kids love! We use technic LEGO®’s, teaching students how gears, pins and axels work together to create movement. Enrollment is limited for grades 5K-5, registration details can be found online at www.kmsd.edu/communityed
