SCHOOL NEWS & PTO

Clean the World Soap Drive  Two KMHS students, Alberta and Julia Knutson, are a part of GEAC (Global Education Academic Certificate), the foundation educates students with a global focus. As a result, the two girls became involved with Clean the World. This organization collects and distributes new, wrapped soaps (and hotel soaps) to areas in need to stop the spread of preventable diseases. We will collect from Monday, March 14 through Thursday, March 24. There will be a box on the table right outside of the office for any donations that are sent in. Thank you, again, for helping our students see how they can touch the world!

**Spirit Wear**: Thank you to those who purchased Magee Spirit Wear items. We will let you know when your orders have arrived.

**The Magee Spree** was a huge success! Thank you to the more than 100 guests who attended the Magee Spree on March 5th – we had a record-setting crowd! And thank you to the volunteers who contributed their time and talents to plan and staff this unique social event. Funds raised at this year’s Magee Spree will be re-invested right back into Magee to benefit all the students and staff members. Stay tuned for updates.

**School Kits** will be offered again this year through the Magee PTO. If you would like to make shopping for school supplies a whole lot easier, consider ordering through this simple program. Look for Order Forms to be sent home soon. Visit the PTO web site for more information.

**Box Tops**: Thank you so much to all who turned in their Box Tops! Congratulations to **Mrs. Coss’ 1st grade classroom** for winning the final Traveling Trophy! This was our final Box Tops contest of the year. Together, Magee families have collected **19,338 Box Tops** this school year! That equals $1,933 in “Effortless Fundraising” revenue! Please continue to send in your Box Tops when you can. Each Box Tops earns our school 10 cents, and that adds up!

**Fun Run 2016** will be **Friday, April 22nd.** All Magee students will enjoy taking part in an obstacle course created on the lower playground. This event will coincide with the Earth Day classroom presentations. Individual student sponsorship opportunities will be available so that we can raise funds to purchase new playground equipment! More information will be provided soon. If you are interested in helping with this year’s Fun Run, please contact **Melissa Coello** at Melissa51182@yahoo.com.
