SCHOOL NEWS & PTO

Three Year & Four year Olds Wanted
The Kettle Moraine School District’s Early Childhood Special Education Department is continuing their preschool integration program. This program integrates students with special education needs to learn alongside regular education students. We are looking for 3 year old and 4 year old peer models to join our Early Childhood Special Education class at Magee Elementary School beginning fall of 2016. Three year olds will be in the morning program and four year olds will be in the afternoon programs. This program is at no cost to peer models; however parents would need to provide transportation and fill out district enrollment paperwork. Please contact Tricia Anderson at 968-6454, ext. 7104 to set up a visit and complete a brief developmental history before June 10.

2016-17 - 5th Grade Parents/Students
Band and Orchestra registration is now open through April 15th for students entering 5th grade next year. In 6th grade all students are required to choose either Band, Orchestra, or Choir. It is highly encouraged that all students wishing to participate in middle school Band or Orchestra begin in 5th grade, as it provides a strong foundation for them to be successful with an instrument. Students who are not involved in 5th grade Band/Orchestra will remain with their
classroom teachers during rehearsal time. All rehearsals happen during the school day for both groups.

Please register for Band or Orchestra by April 15th at kmsd.edu/elementaryband

**Effortless Fundraising**

**Box Tops**: Please continue to turn in your Box Tops! There are no more Box Tops contests this year. But we can still earn “effortless” revenue collectively as a school! So, please turn in Box Tops often, as they do have expiration dates we need to watch.

**Shoes**: As the weather warms and we break out the shoes, we find our children's feet have grown. Instead of tossing your used shoes, send them to school. Place them in the orange bins in the front lobby! Reminder, we do not accept: Crocs, flip flops, winter boots, ski boots and steel-toe boots.

**Kwik Trip**: We will have two more orders going home this school year! The next order will go home Friday, April 22 and is due back **April 29th**!

**Like us on Facebook** to see Magee PTO updates in your News Feed!

Next **PTO Meeting**: Wednesday, **April 13 @ 9:00 AM**. Meeting will occur in the Conference Room at Magee. **All** Magee parents are invited to attend.

**DISTRICT NEWS & COMMUNITY EDUCATION**

PRN presents “How to Make Healthy Habits Stick!”, Monday, April 11, 11:00 am to 12:30 pm at Yoga 4 All in Wales.

Are you frustrated by the fact that you know what you should eat to be healthy (and potentially lose weight), but find it extremely difficult to actually make this a lasting change! This month’s facilitator, Janet Golownia of PurBalance Yoga Therapy, will help us learn about what is really behind creating new healthy habits that you can maintain for a lifetime. Janet is a yoga therapist and certified health coach who is passionate about unlocking the body’s ability to heal itself through a variety of yoga tools and nutrition. She has learned from healing her own health issues of hypothyroidism, depression and multiple sclerosis that healing takes place not only on the physical level but also the energetic and emotional levels. We are not going to just talk! You are also going to take what you learn and put it into practice right away. Thank you to Café Buzzz in Wales for donating the coffee!
