RIBBON CUTTING CEREMONIES, OPEN HOUSES PLANNED FOR KM MIDDLE SCHOOL & KM HIGH SCHOOL CAMPUSES

The Kettle Moraine School District will celebrate construction completion at Kettle Moraine Middle School and Kettle Moraine High School Campuses at upcoming ribbon cutting ceremonies and open houses. Students, staff, parents, community members and media are invited to attend a short program and take an inside look at several spaces that are now ready for students.

Renovations were made possible by the community's support of the April 2014 referendum focused on capital maintenance, technology infrastructure, safety and security, and student learning spaces. To learn more, visit www.kmsd.edu/construction.

School	Event Details	Construction Completion
