CLASS OF 2020 - 9TH GRADE
2016-2017 COURSE SELECTION SHEET

NAME ________________________________

- To ensure you are meeting graduation requirements please cross reference your selections with your grade level graduation requirements listed at the end of this document.
- All students are required to register for 8 credits. You must make 16 selections as each one is worth a ½ credit.
- If the course number does not include letters, that class is offered every day for 1 term.
- If the course number listed contains only an A, B, or C, that course is offered every day for 1 term.
- If the course number listed includes the letters BG, the class will run every other day on the Blue/Gold block for 2 terms.
- If you choose BG courses, you must select an even number of BG courses to balance out the block. Example: One course would run on blue days and the other would run on gold days.
- When choosing your classes, if the course number selected ends in an A, you must also select B, and C if listed. Examples:
  - If you are selecting 0103A English I, you must also select 0103B.
  - If you are selecting 0404A Algebra I, you must also select 0404B and 0404C.
  - If you are selecting 404BGA Algebra I, you must also select 404BGB.
