Dear Parents / Guardians,

Some middle school parents were able to attend the KM Parent Resource Network presentation Wednesday night entitled *Helping Kids Navigate the Digital World Safely 2.0*. It was a thoughtful, eye-opening amount of information on digital citizenship, social media, and the law. Our district library media specialists were joined by police officers from Delafield and Summit to guide us through the maze of topics and issues.

The most important take away for me? Keep the communication lines open with your children about their activities and life (digital and everyday). Young people who find themselves in trouble or at risk often lack an adult they can turn to or trust. Here is a link to the presentation (with many links within). I recommend this article about apps all parents should be aware of.

Thanks for your continued partnership.

Enjoy the 3-day weekend,

DISTRICT INFORMATION

PRN PRESENTS “HOW TO MAKE HEALTHY HABITS STICK!”

Mark your calendars! Monday, April 11, 11:00 am to 12:30 pm at Yoga 4 All in Wales. Are you frustrated by the fact that you know what you should eat to be healthy (and potentially lose weight), but find it extremely difficult to actually make this a lasting change? This month's facilitator, Janet Golownia of PurBalance Yoga Therapy, will help us learn about what is really behind creating new healthy habits that you can maintain for a lifetime. Janet is a yoga therapist and certified health coach who is passionate about unlocking the body's ability to heal itself through a variety of yoga tools and nutrition. She has learned from healing her own health issues of hypothyroidism, depression and multiple sclerosis that healing takes place not only on the physical level but also the energetic and emotional levels. We are not going to just talk! You are also going to take what you learn and put it into practice right away. Thank you to Café Buzzz in Wales for donating the coffee!
