MESSAGE FROM MRS. TOETZ
As we head into summer I want to encourage students to take time to play outside and enjoy their families. When there is down time please know that all of the students' online learning accounts are available to them during the summer. Students are encouraged to use their Dreambox accounts, RAZ reading, Headsprout reading, and Ten Marks Math (depending on their grade). Reading from their favorite series books is another great idea for students throughout the summer. Thank you for supporting your child's learning as
they relax this summer. Enjoy your time together! Cushing and I look forward to seeing everyone at the end of summer!

**SUMMER LUNCH AT CUSHING!!!**

Summer lunch is being served this summer at Cushing! You are welcome to come with your child at 12:45 to eat lunch in the Cushing cafeteria. Your child's lunch account will be charged the same way it is during the school year, with free and reduced lunch prices, as well. The summer lunch program will run the dates of Summer Academy (June 20-July 29).

### For 5th Graders-KMMS News

Information was sent earlier this week about a summer learning program opportunity at KMMS. Some key points:

- the aim is to maintain the math learned by students this school year
- It will be under the supervision/with help from two KMMS math teachers
- It includes review and help sessions once a month during the summer
- KMMS students will use their Chromebook
- a limited number of school Chromebooks will be available for loan to those with wireless but no computer

A few families asked if this training is mandatory. No, it is not, but we do feel strongly that working on math a bit during the summer will help retain the learning gains your child has made this year.

To enroll your child, you must:
1. Sign up using [this form](mailto:comiskem@kmsd.edu)
2. Attend one of the two remaining registration sessions to finalize your account. **This process should take 10 - 15 minutes depending on the number who show up.** We will be available at these times:
   - Tuesday, June 7th from 4:00 p.m. to 6:00 p.m. at Kettle Moraine MS
   - Friday, June 10th from Noon to 2:00 p.m. at Kettle Moraine MS
   - Tuesday, June 21st from Noon to 2:00 p.m. at Kettle Moraine High School (following Summer Academy)

If you are interested in learning more, we are here to help. Email one of us for more information or with any questions you may have.

**KMSD DISTRICT NEWS**

**HONOR AN EDUCATOR**
Students, families, colleagues, community members, or groups of people may now honor an educator or a group of educators through Kettle Moraine Education Foundation’s Honor an Educator campaign. “Educator” means any current or former staff member(s) who had a positive influence on your education in the Kettle Moraine School District.

All donations will be acknowledged with the educator in a special card, indicating the gift from the individual/group. Donations of $50 or more will receive a plaque on the Honor an Educator wall to be located on the Kettle Moraine High School Campus. The Honor an Educator wall will be built in Summer/Fall 2016.

Plaques on the Honor an Educator wall may include one educator’s name, or a “group” name. Examples: Mrs. Smith, Coach Smith, Art Educators, KM Educators, HS2 Educators, KM Custodians. Plaques will also include the individual or group honoring that educator. Examples: Jane Thompson, Smith Family Varsity Softball Team.
